

**New for 2019!**

## Introducing new FT-Scoreboard

**Multi-Sport • Multi-Purpose • Full Color LED Display • Portable • New 6x3 ft**  
Ideal for track and auxiliary gym or field

### **ALL Sports**

Keep track of scores, times, and other stats. Scoreboard templates are available for most high school sports including **Basketball, Baseball, Soccer, Volleyball, Lacrosse, Tennis** and more.

#### **TRACK**

Send race time, entries, and results instantly from the FlashTiming software.

#### **Message Board**

Announce upcoming events and advertise sponsors.

#### **One or Two Scoreboards**

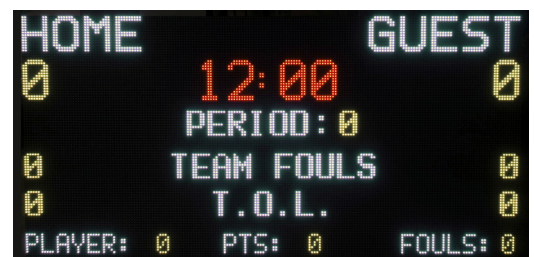

FT-Scoreboard consists of 2 interlocking 288x144 pixel displays, each with a built-in stand. It includes a pre-configured controller which connects to the display with a network cable and attaches to your computer with a DVI or HDMI cable. Purchase a second controller and use each panel as a separate scoreboard!

#### **Weatherproof**

Suitable for indoor and outdoor use. Clearly visible in direct sunlight. Water and rain resistant.

**Race Results**
